All of our staff members have email addresses listed, and Mrs.
Davis posts the announcements everyday. You're just a click
away from the school connection.**

We are in the process of scheduling intervention time for the Ohio Achievement Assessment (formally the Ohio Achievement Test). Your child may have achieved a score in the 390's (proficient is 400), and if that's the case, we will offer intervention in language arts and math during the day. This is an opportunity to help your student with test achievement. If your child is participating, a letter will be coming home this week.
